Sri K. H. PATIL.—May I know whether the Hon. Minister is aware of the fact that the reply furnished in the appended statement in answer to my question does not contain correct information? For instance, in my own village Hulkoti the tank work has been half-done but in the reply it is stated that it has been completed. Will the hon. Minister assure this House to enquire into the matter and submit the correct information and also see that the works that are pending are completed?

Sri H. V. KOUJALGI.—Sir, on more than one occasion, it has been stated on the floor of this House that the works that are incomplete will be brought up to some stage and especially the tank works will be completed as far as possible and importance would be given to irrigation tanks.

Sri K. H. PATIL.—Sir, in regard to the tank work at Hulkoti which is incomplete and for which the concerned officers have been instructed to complete the work, will the Government see that work is completed early?

Sri H. V. KOUJALGI.—Which work should be taken up in that particular are a is left to the discretion of the Deputy Commissioner and the local committees of the district concerned. I have already said that as far as possible, all tank works will be completed.

ಶ್ರೀ ಎಂ. ರಾಜಶೇಖರ ಮೂರ್ತಿ.—ನವಂಬರ್ ಒಂದರಿಂದ ರಿವೈಸ್ ಆಗಿದೆ. ಮೊದಲನೇ ಜೋನ್‌ನಲ್ಲಿ 142.66 ರೂಪಾಯಿ ಮತ್ತು ಎರಡನೇ ಜೋನ್‌ನಲ್ಲಿ 158.27 ರೂಪಾಯಿ. ಈ ದರಗಳು 30 (ಡಿ) ಗೆ ಅನ್ವಯವಾಗುತ್ತವೆ.

ಶ್ರೀ ಸದಾಶಿವಪ್ಪ ಪಾಟೀಲ್.—ಎರಡೂ ವಲಯಗಳಿಗೆ ದರಗಳಲ್ಲಿ ವ್ಯತ್ಯಾಸ ಇರಲು ಕಾರಣವೇನು ?

Sri R. NAGAN GOUDA.—The difference in the prices is almost 11 per cent and the differences in recovery is not as much as that of the differences in prices. The Government of Mysore which made an attempt, at one time, to induce the Government of India to equalise the prices which has not been agreed to by them. Will the Government have the matter re-examined and urge upon the Government of India to equalise the levy prices of sugar in respect of the two sugar factories in Bellary District and Raichur District respectively ?

Sri M. RAJASEKHARA MURTHY.—Government of Mysore wrote a letter to the Government of India to equalise the prices, but the Government of India has not agreed to it.
